

About Us:

For the 10th anniversary of the 9/11 attacks on American soil, members of Engine 50, Ladder 19, and Battalion 26, of the FDNY organized a bicycle ride from Montauk, New York, to Washington D.C. The ride had a two-fold purpose. First was to honor the 343 FDNY members who lost their lives on that tragic day. We would ride one mile for every brother lost on 9/11. Secondly, we wanted to give something back to the many service men and women who had put themselves in harm's way to protect us. Many would come home facing extreme physical and mental challenges. We decided to turn the bicycle ride into a fundraiser.

We did very well that first year, so well in fact that we decided to keep it going. We are proud to say that since that first ride raised over ONE MILLION DOLLARS. We have done everything from buying cars and wheelchairs, to paying rent, to paying for alterations in Veterans homes. Every dollar raised goes back to those who are in need.

FDNY 343 RIDE is a tax free, 501c3 federally recognized organization. Please help us continue this great work by pledging to sponsor a rider in this year's Annual 343 Ride. Thank you!
